

COFFEE

Our Manetti coffee beans are typically Northern Italian and owe their taste to the powerful coffee from India, among others, supplemented with the softly sweet coffee from Brazil. This makes this an intense coffee for lovers of spicy espresso and full of creamy milk varieties. With notes of cloves, soft sweetness of caramel and dates and a hint of anise.

Hofje

ZONDER ZORGEN

Welcome

How nice to welcome you!

Haarlem is known for its courtyards, You can find many right in the center of Haarlem. The 'Proveniershofje' is one of them. This one is extra special because you can find our lunchroom: Hofje zonder Zorgen.

The food at Hofje Zonder Zorgen is as unique as the place. Everything is prepared with 'care'. Breakfast, lunch and high tea with products from the region, organic and as much as possible homemade.

Start the day with a nice cup of coffee, or end the day with a glass of wine. Hofje zonder Zorgen is a warm place, which brings people together; Hofje zonder Zorgen is a place for everyone.
